ENGAGEMENT OF MIND ROVERS IN SARANGANI DIVISION

To: Assistant Schools Division Superintendent
Public Schools District Supervisor Concerned
Public Elementary School Head Concerned

1. The BAFI and the Curriculum Implementation Division of the Schools Division Office of Sarangani are dedicated to providing quality education that equips students with the skills and knowledge needed to excel in the field of science. The interactive, hands-on scientific learning activities with new technology/laboratory equipment provide opportunities to deepen students' learning by understanding the theoretical concepts of science in a better way and to intensify their skills in handling/operating different laboratory instruments in many interactive ways.
2. Alabel Central Integrated SPED Center (ACISC) is the recipient school identified by the Conrado Ladislawa Alcantara Foundation Inc. (CLAFI) for the engagement of BAPI through the Mind Rover: A mobile Science Laboratory, a high-end laboratory that provides a spectacular interactive experience. No entrance fee is required.
3. The identified school is requested to prepare its learners for the said activity. The Mind Rovers will visit ACISC from February 26 to 27, 2025.
4. For inquiries, contact Marlou De Arce at 09186185458.
5. For the information, guidance, and compliance of all concerned.
