OF RAPID MATHEMATICS ASSESSMENT FOR GRADES 1 TO 3  
FOR SCHOOL YEAR 2024-2025

To: Public Schools District Supervisors  
Public Elementary School Heads

1. With reference to the Memorandum from the Office of the Undersecretary for Curriculum and Instruction dated March 5, 2025, titled **Encoding of End-of-School-Year (EOSY) Assessment Results in the Submission Links**, the Curriculum Implementation Division directs all public elementary schools to administer the EOSY Rapid Mathematics Assessment (RMA) to Grades 1-3 for School Year 2024-2025 which is scheduled from on March 1 to 31, 2025.

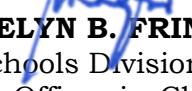

2. The RMA data that will be collected is crucial in determining the mathematical profiles of learners in Grades 1 to 3. The insights gleaned from this assessment will serve as invaluable tools for identifying early graders' numeracy skills that ultimately help teachers design intervention activities for learners where it is most needed.
