The Department of Education (DepEd) aims to provide conducive learning environment as this contributes to better learning outcomes through adequate school buildings, classrooms, other infrastructure, and facilities in public schools. To strategically allocate its resources for school facilities, the Department maintains a complete and accurate inventory of school infrastructure and facilities which informs planning, budgeting, resource allocation, and decision making.

In this regard, the National School Building Inventory (NSBI) will be updated for SY 2024-2025 consistent with DepEd Order No. 1, s. 2017, otherwise known as the Guidelines on the National Inventory of DepEd Public School Buildings for SY 2016-2017. This memorandum outlines the guidelines for the conduct of the NSBI, including the procedures, roles and responsibilities, and timelines. All public schools are required to comply and actively participate in collecting and encoding NSBI data in the information system, guided and assisted by the Schools Division Offices.

## I. PROCEDURES

In order to collect, encode, and report high-quality data in the NSBI module, personnel at the school level, specifically the school head, shall observe the following:

- a. The school head conducts the school building inventory and reviews, encodes, and validates the data in the system.
- b. Submit two (2) signed copies of duly accomplished forms to the Schools Division Office (SDO), Attention: Division Engineer. These copies should be generated from the NSBI, newly available in the system.

Should there be errors in encoding the data in the system, the School Head shall update the data for accuracy and reliability. Take note that schools and DepEd offices benefit from correct and updated data, especially in producing an equitable allocation of resources and evidence-based policies.

## **V. VALIDATION PROCESS**

The validation of NSBI data shall be conducted by the Division Engineers through field visit. For the Planning Officer, completeness of submission shall be its responsibility.
