1. In line with the Department of Education's commitment to enhance transparency, accountability, and efficiency in financial management, the Central Office has issued the Memorandum No. OUF-2023-0753 dated December 18, 2023, Implementation of the School Maintenance and Other Operating Expenses (MOOE) Web-Based Monitoring System. This digital platform is designed to monitor, in real time, the release, receipt, utilization, and reporting of school MOOE funds.
2. To ensure the successful rollout of the system across the division, the Schools Division Office will conduct a division-wide orientation and enrolment activity. This activity aims to:
 - a. Provide a comprehensive understanding of the system's functionalities;
 - b. Equip school heads and school MOOE coordinators with the necessary technical know-how to navigate and use the system effectively; and
 - c. Facilitate the immediate and mandatory enrolment of all schools within the division into the monitoring system.
3. To ensure effective facilitation and minimize disruption to school operations, the orientation will be conducted in five batches. The venue will be announced in a separate advisory.
