Office of the SDS (Officer-in Charge)
DepEd Sarangani Division

Dear Atty. Frinal,

Warm greetings from the Conrado & Ladislawa Alcantara Foundation, Inc. (Alcantara Foundation)!

We would like to express our sincere appreciation for the opportunity to present our **Bridging Reading Development Gaps in Early (BRIDGE) Education Program** to the division. We greatly value our longstanding partnership with DepEd Sarangani Division and share a collective mission to promote quality education, particularly in enhancing the reading skills of learners in our partner schools.

In light of this commitment and in response to recent reports indicating a concerning decline in reading proficiency and a growing number of functionally illiterate learners, we are pleased to inform your good office that Alcantara Foundation will implement a 15-day remedial reading intervention dubbed **School-Based Bayanihan (SBB)** in ten (10) public elementary schools in Sarangani Division:

1. Datal Basak IP Integrated School
2. Ludin Logan Elementary School
3. Langaran Elementary School
4. Lebe integrated School
5. Nomoh Integrated School
6. Cabansal Larry IP Elementary School
7. Lun Padidu Central Elementary School
8. PH Millona Central Integrated School
9. Alabel Central Integrated SPED Center
10. Datu Abdullah Tondog Elementary School

The SBB Program is a community-driven summer reading initiative designed to address early-grade reading gaps. It will engage both school personnel and community volunteers to provide targeted support to struggling readers. This cycle will specifically focus on **30 incoming Grade 4 learners** per school, with an emphasis on developing essential English literacy skills such as letter-sound recognition,

More importantly, we would be honored to have you grace our training on May 10, 2025, and share an inspiring message with our participants (please see attached program flow). Additionally, we kindly request your endorsement and support for the participation of the identified schools and volunteers. We will work closely with EPS John Jerson Constantino and the participating schools to finalize participant details and logistical arrangements.

Thank you for your favorable response to our request. Should you have concerns, our Education Program Officer, Ms. April Mae Domingo will coordinate with your good office. She can also be reached via mobile or viber at +63 917 112 3676.

Thank you very much for your consideration. We look forward to working together to empower more learners and create a lasting impact.
