DIVISION MEMORANDUM

SGOD-2025-068

DELIVERY OF FREEZERS FOR SCHOOL-BASED FEEDING PROGRAM
PASTEURIZED MILK BENEFICIARY SCHOOLS

To: Public Schools District Supervisors Concerned
Public Elementary School Heads Concerned

1. Pasteurized Milk is one type of School-Based Feeding Program – Milk Component that is being distributed to the SBFP beneficiaries who are enrolled in schools that are easy to reach, as this product easily gets spoiled if taken outside the freezer, even within a short period. Moreover, a school needs to have a freezer to preserve the good quality of the milk products, ensuring the well-being of our beneficiaries
2. Please ensure that the non-teaching School's Property Custodians and School Heads are available to receive and inspect the items, and to sign the Delivery Receipt and Inspection and Acceptance Report (IAR) Form upon delivery. The 4 copies of IAR forms will be prepared by our school non-teaching personnel who will receive the item, one (1) copy of the IAR will be given to the supplier, one (1) as school copy, and two IAR (2) copies together with the duplicate copy of DR given by the supplier will be submitted to Division Health Section.
3. Enclosed herewith are the list of recipient schools and the delivery schedule for your reference.
4. For inquiries, you may contact Estylinda G. Tudayan, Nurse-in-Charge, at her mobile phone number: 0908-810-8005 and/or Ms. Mitzi M. Wata, Division SBFP Coordinator, at 0955-490-8368.
