The School-Based Feeding Program aims to address hunger and encourage learners to enroll, contribute to the improvement of their nutritional status, provide nourishment for their growth and development, help boost their immune system, enhance and improve their health and nutrition values. Deworming our beneficiaries at the start of the SBFP helps in the absorption of the nutrients they may benefit from the said activity.
3. The Nutrition Month is celebrated every July annually, and it is the right time to launch it together with the SBFP as it holds the same purpose, to give good nutrition to our beneficiaries. This year's theme is "Food at Nutrisyon Securiy Maging Priority! Sapat na Pagkain Karapatan Natin!"
