Dear Maam:

Kalinawl

The Restless Heron/Su Di Makapangintelen a Talik (2023) is a cinematic testament to the rich tapestry of history and culture that is deeply embedded in the heart of Mindanao. This full-length film takes us on a captivating journey through time, immersing us in the narrative of the Talik Sultanate, a once-thriving Maguindanaon kingdom now nestled in Koronadal City. Following its successful premiere in March, where it garnered acclaim and recommendations from experts at UP Diliman, the film has achieved a remarkable milestone by being one of the official selected feature film at the "International Film Festival Manhattan, New York" and by winning 'The Best Feature Film Screenplay' at the 6th Caorle Independent Film Festival, where it stood as the sole representative from the Philippines among 150 international entries.

More than just a cinematic marvel, the film is a passionate advocacy for preserving the culture and history of Mindanao, lovingly championed by Cronasia Foundation College, Inc., FilCor Production Studio, and the History Department of Mindanao State University-General Santos City. The story is based on the field notes of the late Dr. Domingo M. Non, Sr., a former history professor at MSU-GSC.

We are delighted to invite the Social Science, Special Program in the Arts teachers and all students, especially under the Special Program in Journalism of all the public schools under your division, to a special and free film viewing during the Academic Year 2025–2026 at their respective school classroom or school gym. We would be happy to schedule this event at your convenience. Please confirm your availability by contacting us at 0946-908-8409 or via email at publicrelationsoffice@cfci.ph.education.

Daghang Salamat!

Respectfully yours,
