10. **General Mechanics**

1. The Olympics is open to all learners officially enrolled for School Year 2025-2026 in the school/municipality he/she be represented.
2. Duplication of events is **NOT** allowed. A contestant can participate in one event **only**.
3. Event officials (Quiz Masters, Judges, Proctors, Checkers, Timers, Recorders/Scorers) shall **NOT** be related by affinity, consanguinity, or “teacher-student” status (for current School Year 2025-2026) to any of the contestants in the Key Stage level he/she is officiating.

11. **Specific Event Mechanics**

12. **Event: Individual Written Quiz**

Rationale: The District Math Olympics Written Quiz is an annual competition designed to enhance students' interest and skills in mathematics. Open to elementary and high school students from both public and private schools in the Division, this event offers an engaging platform for students to improve their mathematical abilities and demonstrate their mastery of various mathematical topics. Through fun and challenging problem-solving activities, students can deepen their understanding and showcase their talents in math.

Descriptions: This is an individual written exam participated in by the **Top 3** participants from each school in each Key Stage 1&2 and **Top 5** from Key Stage 3 & 4. This competition has four (4) Categories which includes Key Stage 1 Category, Key Stage 2 Category, Key Stage 3 Category, and Key Stage 4 Category.

All grade levels under each key stage are allowed to join the competition. However, each school shall only send their **Top 3** learners per category. The medium of instruction to be used for all the Key Stage Categories is **English**.

Grade Level Covered: Elementary, Junior High, and Senior High School Students

Test Coverage: For **Key Stage 1-3**, all competencies in all Grade levels under each Key Stage Category except for the topics in the 3rd and 4th quarter of the last grade level of each Key Stage Category. For **Key Stage 4**, competencies in General Mathematics subject will be included in the test.

Contestants: Grades 1 to 12

Officials: Three (3) facilitators per Category who will serve as the judges (math experts) in case there are some clarification/s or correction in the answer key), **proctor** (in-charge of distributing, managing the conduct of exam and collecting test papers/questionnaires), and **Corrector /tabulator** per Grade level (responsible for checking the test questionnaires and recording the test results)

Guidelines/Mechanics:

1. The District Math Olympics for the Individual Competition is a written exam.
2. Participants: Top three (3) winners per school for each category.
3. The test consists of 30 questions worth 1 point each regardless of level of difficulty.
4. For this competition, the contestants must use their code numbers given to them at the registration.
5. The contestants will be given one (1) hour to answer the test.
6. There may be more than one corrector for the papers, but only one may correct the same items for the sake of consistency in the giving of partial credit. For example, Checker A may check items 1-10, Checker B will check items 11-20, and Checker C will check items 21-30.

Each paper must be counter-checked by a corrector of another part of the paper.

7. The contestants will be ranked according to the gained scores and the top three will be declared winners.
8. In case of a tie among any of the contestants vying for the first three places, a set of 3 questions will be given to break the tie. If the tie is not broken after the three questions, "do or die" questions will be given.

Materials Needed:

1. Test Questionnaires
2. Scratch Paper
3. Pens/Pencils

13. Changes On Rules and Regulations

1. Only the 2025 Division Math Olympics Committee / Technical Working Group reserves the right to make any modifications on the rules and regulations of the Competition.
