1. In pursuant to DepEd Order No. 10, Series of 2016 also known as the ***“Policy and Guidelines for the Comprehensive Water, Sanitation, and Hygiene (WinS) in Schools Program (WinS Program)”***, is a directive from the Department of Education that promotes healthy hygiene and sanitation practices and advocates for the creation of a clean school environment to ensure the safety and health of students which includes water quality monitoring at least once a year to maintain safe water supply for learners.
2. It mandates schools to test drinking water sources to ensure learner safety, following the Philippine National Standards for Drinking Water (PNSDW). Schools must coordinate with the local health office for sampling and send water samples to a Department of Health (DOH)-accredited laboratory for analysis of bacteriological, chemical, physical, and radiological parameters.
3. The School Health Section provided funds to select schools to conduct a mandatory water testing activity at a DOH-accredited facility and shall submit a copy of the water testing result to the Division Clinic **on or before November 30, 2025**, for monitoring purposes thereof. List of select schools is hereto attached.
4. For queries and clarifications, please contact Dr. Lyn Frances Dominique P. Gumban, Medical Officer III at Cellular Number 09182276157 and Maryrose Wenna Daguno-Ea, RN, Division WinS Focal Person at Cellular Number 0926-880-0258.
