THE WORKPLACE APPLICATION PROJECT EXPO MECHANICS

A. Rationale

The education sector is continuously evolving, with an increasing emphasis on the professional development of teachers and school leaders to ensure they are equipped with the latest educational strategies and technological advancements. Professional development programs, especially those developed by the National Educators Academy of the Philippines (NEAP), play a crucial role in enhancing the skills and knowledge of its clientele – the teachers and school leaders. However, the true value of these programs is realized only when the acquired knowledge and skills are effectively applied in their respective workplace leading to improved student learning outcomes.

Based on DepEd Order No. 7, s. 2023, the application of Learning and Development (L&D) pertains to the demonstrated success of knowledge and skills acquired from Human Resource Development (HRD) interventions attended by a teacher or school leader, which should have resulted in notable positive outcomes in their current or past work. Hence, the Workplace Application Project (WAP) Expo is conceived to address this crucial connection between professional development and workplace application.

WAP Expo provides a platform for teachers and school leaders who have undergone NEAP and other CO/RO-led Professional Development Programs to present their workplace application projects and showcasing how they have applied their new skills and knowledge in real workplace settings. Furthermore, the expo aims to highlight the tangible impacts of workplace application projects in the organization, students' learning, and community in general.

B. Significance of the Workplace Application Project

1. Bridging Theory and Practice

Professional development programs equip teachers and school leaders with innovative approaches, theoretical knowledge, and new instructional methodologies. However, without practical application, these learning may not translate into meaningful workplace experiences. The expo bridges this gap by encouraging teachers and school leaders to implement and showcase their learning through tangible projects.

2. Demonstrating Impact

It is crucial to assess and recognize the impact of professional development on the desired outcomes. This expo allows teachers and school leaders to present evidence of the positive changes in their organization/learners' learning experiences

Republic of the Philippines
Department of Education
SOCCSKSARGEN REGION
SCHOOLS DIVISION OF SARANGANI

and achievements by providing a clear demonstration of the benefits of continuous professional development.

3. Fostering a Culture of Continuous Improvement

By sharing their experiences and outcomes, teachers and school leaders can inspire their colleagues to adopt innovative practices and engage in ongoing professional growth. The expo promotes a culture of continuous improvement, where teachers and school leaders are motivated to refine their projects and embrace new ideas.

4. Encouraging Collaboration and Sharing of Best Practices

The expo creates a collaborative environment where teachers and school leaders can exchange ideas, learn from each other's experiences, and discuss challenges and solutions. This collaborative approach helps in the dissemination of best practices and fosters a supportive professional learning community.

C. Participants

The participants of the expo are regular teachers and school leaders (including Inclusive Education Programs) who have attended/completed NEAP and other CO/RO-led Professional Development Programs conducted from post-pandemic to present.

D. Format and Activities

Document Review	<ul style="list-style-type: none">• The SDOs, through the HRDS, shall submit one WAP entry per category on or before February 9, 2026• The Identified Documentation Review Team shall review all the submitted WAP documents in terms of document completeness, alignment with prescribed documented information, and compliance with the set guidelines.• In case of minimal discrepancies, the HRDD shall notify the proponent via email and shall ensure compliance with the needed document(s) within 24 hours
Online Validation	<ul style="list-style-type: none">• After the document review, the identified validators shall conduct an online validation of the Workplace Application Project (WAP) implementation.• The validators are tasked with validating the authenticity and data consistency of the project.• The expected participants of the said validation shall comprise the following: WAP proponent/s, Immediate Supervisor, at least one direct recipient of the WAP (e.g., learner), and other stakeholders (LGU/Barangay Officials/PTA Representative/parents,

E. Expected Outcomes

The Workplace Application Project Expo is expected to yield several positive outcomes:

- a. Enhanced Professional Practices – Teachers and school leaders will gain new insights and practical strategies to implement in their workplace.
- b. Improved Learners Outcomes - Learners will benefit from innovative teaching methods and enhanced learning experiences.
- c. Professional Growth - Participating teachers and school leaders will develop greater confidence and expertise in applying their professional development learnings.
- d. Collaborative Culture - The expo will promote a collaborative culture among teachers and school leaders and encourage the sharing of best practices and continuous professional growth.

F. WAP Expo Guidelines

The Workplace Application Project (WAP) Expo is a platform for teachers and school leaders to showcase the practical application of their learning from NEAP and other CO-Led Professional Development (PD) Programs. The expo aims to highlight innovative practices and strategies that contribute to the improvement of the organization and target recipient outcomes (e.g., learners). This will be done in five job groups/categories:

- | | |
|------------|---|
| Category A | Education Program Supervisors |
| Category B | Education Program Specialist and Other related Teaching positions |
| Category C | School Heads (School Principal, Head Teacher, Teacher-In-Charge) |
| Category D | Master Teachers (MT I-III) |
| Category E | Teachers (T1-III/Special Science Teacher/Special Education Teacher) |
| Category F | Non-Teaching personnel |

- a. The Workplace Application Project should have been implemented for at least 6 months.
- b. Participants must be regular teachers or school leaders who have attended NEAP and other CO/RO-led Professional Development Programs from the post- pandemic period to the present.
- c. Each District shall only send one presenter per WAP on the day of the expo in case there are multiple proponents.
- d. Presentations shall be limited to a maximum of 10 minutes, followed by a 5–10-minute interpellation. The presentation may include a short video clip containing recipients' testimonies, messages, etc.
- e. Participants must also prepare their posters. Use vertical (portrait) layout at 6 x 2.5 ft. size. Participants shall prepare the stand.
- f. The required attire of the participants is business/formal attire.

DIVISION MEMORANDUM
SGOD-2025-104

**CALL FOR SUBMISSION OF WORKPLACE APPLICATION PROJECT (WAP)
OF ALL TEACHING AND NON-TEACHING PERSONNEL**

To: Public Schools District Supervisors Concerned
Public Elementary School Heads Concerned

1. In line with the Department of Education's commitment to promote continuous professional development and improved school and office performance, the Schools Division Governance Operations Division (SGOD) through the Human Resource Development Section (HRDS) calls for **Submission of Workplace Application Project (WAP)** to all teaching and non-teaching personnel who have completed various Learning and Development (L&D) programs. A WAP is a mechanism for translating professional development learnings into improved teaching practices, leadership strategies, operational or administrative processes within the workplace.
2. The Workplace Application Project (WAP) aims to:
 - a. Encourage the practical application of professional development learnings in day-to-day school or office operations.
 - b. Promote innovative and sustainable practices that address identified school or workplace challenges.
 - c. Foster a culture of accountability and impact-driven learning among DepEd personnel.
3. Please take note of the following implementation guidelines:
 - a. All permanent teaching and non-teaching personnel who have completed post-pandemic L&D programs such as Lunduyan sa Kahusayan, SEAMEO Innotech, UP NISMED Geogebra, HOTS-PLTs, Instructional Leadership Training (ILT), Revised K-12 MATATAG Curriculum for Kindergarten, G1, G4, G7, Office Performance and Development for Non-teaching Personnel (OPDNTF) and other Division initiated PD Programs.
 - b. The WAP should be implemented over a period of at least six (6) months and may focus on areas such as curriculum implementation, instructional supervision, learner outcomes, administrative efficiency, stakeholder engagement, or resource management.
 - c. The WAP submission shall have the following job group categories:

Category A	Education Program Supervisors
