1. Pursuant to DepEd Order No. 37, s. 2015, all public schools and offices were directed to institutionalize DRRM coordination and information protocols that emphasize the proper dissemination of disaster and emergency information, communication flow, and responsibilities of DRRM coordinators.
2. In this regard, all schools are hereby directed to ensure the posting, updating, and maintenance of DRRM corners, advocacy materials, and emergency information in strategic and conspicuous areas within the school premises. These include, but are not limited to, evacuation maps and procedures, emergency hotlines, hazard maps, updated contingency plans, and readily available safety and emergency-related supplies and equipment, which are essential in strengthening Comprehensive School Safety.
